## Interview Process

There are currently eight (8) placement sites available. *Before* registration and payment, you will have the opportunity to interview at the site(s) of your choice. You can interview at any and all sites. It is up to you.

**To sign up for an interview**, please place your name on this list:

<http://www.signupgenius.com/go/409044daaaa2cabfc1-interview5>

**This list will remain open from April 2 through April 20 only.**

To learn more about each site, please read the site overviews each site prepared. I posted these overviews in OneDrive: [https://muih-my.sharepoint.com/:f/g/personal/eowens\\_muih\\_edu/EsockdFxLkBFmJIKQ41IhGwBBAXaJ2Q8QHqe56-QCeHQ7g?e=pp7RHH](https://muih-my.sharepoint.com/:f/g/personal/eowens_muih_edu/EsockdFxLkBFmJIKQ41IhGwBBAXaJ2Q8QHqe56-QCeHQ7g?e=pp7RHH)

*If you no longer have an MUIH email address, please contact me directly for these site overview documents.*

After April 20, I will provide each site with the list of interested candidates. Please do **not** contact the site directly. Each site will schedule the interviews directly. Interview formats will vary and depend on the site's preference (in-person or via phone, individual or groups). **The interview period will take place May 1 through May 9.**

After interviews take place, each site will provide me a list of their top three (3) candidates. You can also let me know your top three (3) sites. A matching process will be used to make sure as many students and sites are matched with one of their top choices. You will be notified no sooner than May 14 with your matched site. At that point, you will be given a link to register and pay.

## Important Dates:
