

JOB LISTING

Online Adjunct Faculty Health and Wellness Coaching Programs

Position Available: January 2014

Posting Date: 08/26/13

End Date: Open until filled

Maryland University of Integrative Health (formerly Tai Sophia Institute) is the leading academic institution for integrative health in the nation. For nearly 40 years, MUIH has educated and informed leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. MUIH offers graduate degrees and certificates in a wide range of wellness fields, as well as programs for professional and personal development. MUIH's on-site Natural Care Center offers compassionate and affordable healthcare from student interns and professional practitioners.

Maryland University of Integrative Health is currently conducting a search for adjunct faculty members to teach as primary online instructors in the health and wellness coaching programs. The health and wellness coaching courses have been approved by the International Federation of Coaches. The curriculum is designed to teach students the advanced skills and expertise to help clients clarify and implement health goals, and sustain life-changing behaviors. Ideal applicants will have online teaching experience and an interest in teaching in an online environment.

Responsibilities/Duties

Responsibilities/duties include, but are not limited to:

- Online course development (if applicable, supplemental compensation offered)
- Teaching the assigned online course(s) and assuming all responsibilities associated with teaching
- Assessing student learning outcomes
- Grading and reviewing assignments
- Monitoring and posting student progress and grades
- Preparing and posting student materials
- Collaborating with the Academic Director on administrative and student matters
- Keeping current with new developments in the field of health and wellness coaching
- Participating in faculty meetings
- Being available for individual coaching/advising of students as required
- Working with teaching aAssistants, if applicable, for online course administration
- Completing a Best Practices in Online Learning course (for Moodle platform) upon hire

NOTE: The above responsibilities and duties can be performed via multiple modalities (e.g., online, phone, Skype, teleconference, in person)

JOB LISTING

Online Adjunct Faculty Health and Wellness Coaching Programs continued (2 of 2)
