MUIH Expands to New Maple Lawn Campus

Over the past few years as MUIH has grown, it has accelerated its investment in institutional infrastructure including people, systems, and facilities. Taking the next big step, MUIH will be expanding into two office suites on the first floor of a brand new building in Maple Lawn, a 600-acre mixed-use business community in Howard County, Maryland. MUIH Welcomes New NCC Consulting Medical Advisor

As MUIH moves toward a more integrative model in our Natural Care Center and university teaching clinics, the University is able to open new doors and manifest new possibilities. In working to realize this goal, MUIH is pleased to announce the immediate appointment of Linda Lee, M.D., to serve as the Natural Care Center Consulting Medical Advisor. [Read more](#)

2016 Commencement Speaker Announced

Andrew Heyman, M.D., M.H.S.A., is an internationally recognized expert in Integrative Medicine. He is currently the Program Director of Integrative and Metabolic Medicine at The George Washington University. Prior to assuming this role, he spent 16 years at the University of Michigan, serving to build one of the largest and most successful academic-based Integrative Medicine programs in the United States.
