Details:

Description of CHI:

Looking to change the status quo of health care and make a profound impact on people's lives? CHI Health Care is too. CHI Health Care (CHI) is a unique public, not-for-profit, clinical health center building an innovative model of care that combines primary health care with many other integrative modalities in a positive and engaging work environment. CHI provides an opportunity to work with top talent in an organization committed to changing the way health care is delivered.

CHI serves a diverse population in the Greater Washington, DC metro area and is committed to leveraging our collective knowledge and skills to improve mind, body and spirit. For more information:

Description of the Role:

CHI is seeking a collaborative and engaged nutritionist to complement the clinical team as well as work on special projects relating to nutrition. This is a part-time position of approximately 16 hours per week. The Nutritionist provides high-quality, evidenced-based nutritional counseling for individuals and prediabetes groups around good nutrition, healthy eating habits and nutrition monitoring. Responsibilities include screening for, assessing the nutritional needs of, and monitoring and creating the food-based health plans of CHI patients and those through external referrals. The Nutritionist collaborates with fellow practitioners and the clinical team and determines the nutritional needs of patients and clients.

Qualifications include a current, active license in the state of Maryland as a Nutritionist, at least three years of experience in an outpatient setting working with individuals and groups, and demonstrated skills in education and counseling. Preferred qualifications include bilingual in Spanish and English and certifications in holistic therapies and herbal treatments. To apply, email your resume and a cover letter to [careers@chihealthcare.org](mailto:careers@chihealthcare.org). Please also mention the Nutritionist position and the location of this ad in your message.
