

Type of Opportunity: Nutrition  
Company Name: ECPI University  
Job Type: Part-time  
City: On- Line  
State: Multiple

Details: ECPI University, with campuses in Virginia, North Carolina, South Carolina, Florida and Online, is a recognized leader in awarding STEM+H degrees through innovative delivery of education to meet the needs of military and new-traditional students.

ECPI University offers Master's, Bachelor's, and Associate's degrees, and certification training in Technology, Health Science, Business, Criminal Justice and Culinary Arts. For over 50 years, ECPI University has been helping students achieve their educational and career goals in a hands-on, student-centered environment, while working collaboratively with employers to ensure our graduates have the knowledge and skills they need to be successful. Growth at our university creates the need for dynamic, caring professionals who are dedicated to making a difference in people's lives

\*\*\* THIS IS AN ONLINE FACULTY POSITION \*\*\*

#### Responsibilities

We are seeking Nutrition professionals to join our faculty team. As a faculty member, you'll provide practical hands-on instruction in an engaging learning environment, incorporating innovative teaching methodologies in order to enhance the learning experience of our students and achieve learning outcomes.

This would be an ideal position for a Nutrition professional. Our terms are five weeks long, and class sizes are small which give our faculty the perfect environment in which to share their specific industry experience. If you are highly motivated and passionate about teaching, ECPI University may be the place for you.

#### Qualifications

##### Education/Experience:

Master's degree in Nutrition or a Master's degree with 18 graduate semester hours in the discipline from a regionally accredited educational institution.

Applied or practical work experience preferred; 2 years teaching or presentation experience a plus.

Strong academic and professional record.

Experience in a student-centric and hands-on learning environment.

##### Skills/Abilities:

Strong active-learning skills for effective instruction.

The highest levels of integrity at all times.

Orientation toward results.

Exemplary interpersonal skills, verbal and written communication skills.

What does ECPI University have to offer?

A focus on students and academic excellence Small class sizes Professional work environment Talented and committed co-workers An adult-focused accelerated schedule An opportunity to make a difference while expanding your knowledge, skills and professional network Competitive compensation & benefits plan

ECPI University is proud to be an Equal Opportunity Employer.
