City: Arroyo Grande

State: California

Details: Step into a well established, thriving practice, right out of acupuncture school. You have given years of your life to learning the amazing field of acupuncture and health & wellness. How many more are you willing to give towards getting your practice started? What if you could start with a practice right in the heart of the central coast in a beautiful, well known, and highly desired location. What if you are already a practicing Acupuncturist who would like to practice in one on the most beautiful areas in the country? How hard would it be to start over? Do you want to go through that again?

Our practice has been serving the Village of Arroyo Grande and the Five Cities for over 18 years. We are well known, and what is more important, well liked in this area.

This is a turn key business with a full book of clients. The nice thing is, there is also room for growth. Our office has two amazing treatment rooms, a large lobby, and area for another treatment room or group activities. We have two Massage Therapists on staff, and local guest yoga and pilate instructors that regularly bring in groups for classes.

Right now, I'm sure you're excited but tired. You have the choice of building on the momentum of a currently thriving practice or starting a business from scratch.

Buying an already established clinic will put you years ahead in your professional development.

Let's face it, patient numbers matter. Starting on your own, you can become a good acupuncturist by beginning with a few patients and building slowly. Or you can become an exceptional acupuncturist by getting started with a full schedule and putting your focus on your skills, and not on being an ad agent.

What's in it for you:

850 sq. feet of office space

Signing over of 5 year lease with option of another 5 years Huge Acu-fan base in the area Sustainable business that grossed over \$110,000 in 2018 Pre-formed community composed of people who delight in helping this clinic succeed Online scheduling, Website, etc., set up to prevent months of anguish

Professionally developed brand, logo, and website that is well known in AG Lifeline for the first year:
Problem solving, with previous owner to get through known or unknown challenges to help make your
new business run smoothly

All of this for only \$65,000

You owe it to yourself to check out Arroyo Grande Acupuncture and see if it's a good fit for your future.
Your new business is waiting; do you want to end the year with good intentions? Or a paycheck?
